NOTE.—The amount actually realised bears but a small proportion to the amount sought to be recovered; but it must be borne in mind that in many cases the defendant, on a levy being made, becomes insolvent, and any property seized passes to the Official Trustee for the benefit of the Creditors, and consequently no sale by the Sheriff takes place. Many also of these writs of *fieri facias* were for large amounts, the suitors holding mortgages over and being in possession of the property seized, and were merely lodged for the purpose of obtaining the Sheriff's title for the conveyance of the interest, the purchase money being nominal.
